PROFESSIONAL STATEMENT

I am a hard-working problem-solver, transitioning into a career in programming. Experience in a variety of coding languages gives me a strong foundation of understanding. My teaching background has provided me with excellent communicative skills and years of experience working in team environments. I am seeking an opportunity to work hard and learn.

TECHNICAL SKILLS

Code: C# .NET, LINQ, Python, Java, Android XML, JSON, SQL
Software: Visual Studio 2017, AndroidStudio, Sublime
Services: GIT, Trello, Pivotal

EDUCATION & TRAINING

Liftoff – currently enrolled, March graduation

LaunchCode – www.launchcode.com

Pilot program, created to transition LC101 graduates into LaunchCode apprenticeships.

LC 101 C# - Completed December 2017

LaunchCode – www.launchcode.com

Studied full stack web development in Python using the Flask framework and in C# .NET.

Android Basics Nanodegree Program – Completed June 2017
